A written report shall be submitted to the department and shall be due 30 days following the end of the fiscal year in which the grant was received. The report shall provide an assessment of the project, including measurable outcomes such as increased opportunities to publicize veterans' benefits, the number of outreach visits conducted to allow veterans to apply for benefits, the number of applications for benefits filed as a direct result of the project, and increased opportunities for veteran involvement in local veterans' organizations. The report should also contain a final report on county spending for the fiscal year in which the grant was awarded.
